

West Alabama Bank

It's your bank.™

Dear Valued Customer,

At West Alabama Bank, we ARE committed to you, our employees and our communities. We are grateful for the opportunity to serve you.

As we continue to follow recommendations from the Centers for Disease Control (CDC), we have decided to close our lobbies effective tomorrow Wednesday, March 18th. All of our drive-thru locations will be open regular business hours and will continue to assist you with your day to day banking needs. We apologize for this inconvenience but feel this is in the best interest of both our customers and employees.

Any customers who need assistance with New Accounts, Certificates of Deposit, IRAs and loans will be allowed to enter the bank one customer at a time. Business customers may enter the lobby one at a time for their deposits and change orders.

We are asking our customers to eliminate in-person interaction if you are coughing, have a fever or have been exposed to someone that has tested positive for the virus.

We are closely monitoring the situation and will keep you all updated by email, Facebook and our website.

As a reminder, West Alabama Bank offers several ways to access your accounts and meet your banking needs without visiting a branch. Please visit our website at www.wabt.com to learn more.

Thank you for your business and most importantly, thank you for your patience as we all make the necessary adjustments needed at this time.

Sincerely,

William R. "Rob" Finney

President & CEO
